The Omaha Masters Swim Program requires the first 4 items (you are encouraged to do #5):

1. You must be a current United States Masters Swimming (USMS) member. Register for USMS on-line - [www.usms.org](http://www.usms.org), click on the "Join/ Renew" button and follow the steps to register.
2. Pay an annual Administrative Fee of \$30. The Administrative fee is waived for college students.
3. Fill out this information sheet including your name, address, birthday, and e-mail.
4. Pay the Coaching Fees for the program. The monthly fee is by the month, not for a 30-day cycle. The Coaching fees remain the same regardless of whether you swim 4 times per month or 24 times per month. The Kroc Center members receive a coaching fee discount. Kroc members must pay the annual fee of \$30.

**Fees are payable via Apple Cash, Venmo, Check or Cash**

5. Consider "giving back" to the sport of swimming!! You can volunteer to help with free Adult Swim Lessons, volunteer at a swim meet, be a volunteer coach for our program, mentor one of our new swimmers. "Giving back" is an important component to the philosophy of this program!
